HERDSMANSHIP

A herdsman is someone who owns or tends to a herd of animals. Herdsman ship is the way one tends to the animal or herd. If you are an exhibitor of livestock at the county fair your herdsman ship skills become very important! While at the county fair your animal or animals will be exposed to all kinds of different stresses they may not experience at home. The crowds, noise, other livestock, inclement weather, change in stalls or pens can all sometimes make it hard for them to adjust. It is your responsibility to see that your animal or animals and barn stalling areas are always maintained to the highest of standards for the entire duration of the county fair.

Each 4-H Club & FFA Chapter will be judged daily between the hours of 7:00 p.m. and 9:00 p.m. by volunteers who will go through the barns and score based on aisle cleanliness, animal cleanliness, bedding cleanliness, pen or stall display, adequate lighting and signage, and attendant's manners. There must be adequate arrangements made to ensure that representation is present during these hours. The Monroe County Fair Board will award, and present the winning club or chapter a cash award of \$100.00 along with an additional \$100.00 given by JTF Farms, Jerry & Tonya Findley Family at the beginning of the Livestock Auction on Monday of the fair.

It is the responsibility of each exhibitor to see that the care of their animal or animals are always maintained to the highest level during the county fair. If you require assistance, please discuss this with your 4-H Club Leader or FFA Advisor as they will be glad to help in any way. If you are approached by anyone that you are not familiar with during your fair exhibition it is important that you reach out immediately to your 4-H Club Leader, FFA Advisor, or any adult fair official. Working together with other exhibitors within your assigned stall or pen area is an important part of herdsmanship during fair exhibition to ensure that the welfare of all animals is top notch.

Make it your personal goal and maybe even the goal of your club or chapter to be an outstanding herdsman at home and during exhibition at all times. The county fair is your time to shine and how your animal or animals, pens and stalls look is a reflection on you and your family and your club or chapter.

KEOCO Auction Company LLC, Sigourney Iowa and First Iowa State Bank, Albia, Iowa and staff will conduct the auction which will begin at 5:00 p.m. the Monday of the fair. Fair Board Officials will be available in the office to assist you with this anytime during the fair. Please do not wait until the last minute to complete this task. It is important to have you and your animal or animals placed on the sale bill correctly so that adequate marketing can be presented to the buyers prior to the start of the auction event. 	2	Finish

Relax, take a deep breath, and talk to your dog! (it's ok in Rally)

Here are some guidelines

- ☐ Timing means nothing unless there is a tie for placement. Placements are determined by score.
- ☐ Perfect score is 100. Purple: 90-100, Blue: 80-89, Red: 70-79, White 69 and lower
- ☐ Be sure to let your dog completely sit or down before you take off heeling again or it could cost you points.
- ☐ Every Tight leash will be a 1 point deduction.
- ☐ Remember that you may re-try the exercise ONCE if you performed it incorrectly. If you get it right on the retry, the deduction is reduced from 10 pts for incorrect performance to 3 points for the retry, plus any errors on the retry. ALL parts of the exercise must be performed on the retry, from the beginning of the exercise, including at least a step or two of heeling to approach the station.
- ☐ Running on the course when no "fast pace" is called for will be a 3 to 10 pt. Deduction for handler error, or incorrect performance of an exercise, depending on the circumstances.
- ☐ You may not touch the dog for any reason.
- ☐ Physically correcting the dog will be cause for an NQ and excusal from the ring.
- ☐ Should you become "lost" on the course, take time to get your bearings before continuing on the course. Pay attention to the numbers of the stations to help avoid losing track. Once you have started an exercise out of order, you cannot go back.
- ☐ Encourage your dog and have fun!
