The Monroe County Fair Board holds auction events at various livestock shows and events during the fair. The gracious donations of items to auction in conjunction with great and dedicated bidders and buyers during the events is what makes this such a success for our graduating seniors each year. If your business or family is interested in participating in this great way to give back to our exhibitors, please feel free to contact us. A complete list of donors and buyers from 2023 can be found by visiting our website [www.monroecountyiafair.com](http://www.monroecountyiafair.com).

## APPLICATION PROCESS

Please write in your own words (minimum of 200) what the Monroe County Fair has meant to you. Please include all involvement and especially focus on what YOU contribute to the actual fair workload that benefits more than just yourself or your own family. Please choose at least one key person within the 4-H or FFA Organization that has been instrumental to your fair experience over the years and how they helped you. In closing we want you to think about how you can give back to the Monroe County Fair following high school graduation and how you plan to implement that new adult role to help make our yearly event the best that it can be in Monroe County!
